January 14, 2008

Dear Chi Omega Sister:

The Board of the Chi Omega Alumnae Association, State of Ohio, will once again present the annual SUZANNE DANFORD BANKS OUTSTANDING NEW INITIATE AWARD this spring. This award was developed to honor Suzanne's contributions as an alumna member of our fraternity and to recognize a new initiate of an Ohio chapter for her contributions.

The criteria judged for this award include scholarship, Chi Omega activities, and campus involvement. The nominee must have been initiated into an Ohio chapter in 2007. To provide some guidelines for you in your selection of a candidate, the criteria will be weighed as follows:

Chapter Activities	40%
Campus Activities	30%
Cumulative Grade Point	10%
Essay by Applicant	20%
Letter of Recommendation	Required

Each nominee must have a letter of recommendation from the GM of the chapter at the time of the nominee's initiation (or the current GM if that GM has graduated). All materials must be typed and submitted by **March 3, 2008** via mail or email using the contact information below.

Please contact me if you have any questions. Please give this award your attention and nominate an applicant immediately.

Sincerely,

Katrina Ogden Kanary
